About the Mineral Springs 2nd Annual Festival

In 2014, Mineral Springs held a festival to celebrate their 15th anniversary of being a town. That festival was such a success and comments were heard throughout the day that “the town should do this every year”. The town council took those comments to heart and decided to make it an annual event. We hope, once again, to have the community come out and enjoy the festivities featuring arts and craft vendors selling their wares, food vendors and activities for children.

Exhibitor Definition

Any individual, home-based business or not-for-profit entity interested in selling or showcasing their work or products to the public are welcome to submit an exhibitor application.
